General Advice and Social Counselling and BAföG Advisory Service

Advice for students experiencing difficulties in everyday student life or facing problems regarding personal, social or family matters. Information on financing your studies, BAföG, jobs and accommodation as well as regarding questions on health insurance or social services.

Furthermore: Advice for students with a child and students with a disability and/or a chronic illness.

We offer our services personally, by phone and online. Information about advisory hours and about the booking of appointments is available via the QR-Code.

phone: +49 8161 7124-96

e-mail: asberatung-freising@stwm.de

Psychotherapeutic Counselling Service

We provide support for study-related issues such as decision-making difficulties, work impairments, exam anxiety, depression, and psychosomatic problems.

We offer our service personally, by phone or online.

Consultations only with appointment.
